Re: In the Matter of Administrative Order;
Docket No. CWA-08-2001-34

Dear Sirs:

On August 8, 2001, the U.S. Environmental Protection Agency (EPA) issued an Administrative Order (Docket Number CWA-08-2001-34) to A.E. Staley Manufacturing Company, (hereinafter, "Staley"). This Order required Staley to comply with all provisions of 40 CFR part 403, the general pretreatment standards.

Staley has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2001-34) is considered closed as of the date of this letter.

Please note that if Staley reopens its facility in Monte Vista, Staley is still required to comply with all requirements of 40 CFR part 403.

If you have any questions, the most knowledgeable person on my staff regarding this letter is Patricia Ochoa, Environmental Engineer, who can be reached at (303) 312-6198.

Sincerely,

SIGNED
